

I am an Art Director and Set Decorator with HETV experience for major networks and streaming. I have worked across both drama and comedy – including period pieces – and I understand their respective budgets and hurdles. I also bring with me a network of talent and specialist suppliers with expertise to see a production through to the highest standard.

Key skills

- Budget forecast and management
- Set decoration (medieval to modern)
- Team leadership
- Management of set builds
- Location and studio
- Vehicle coordination
- SFX incl. armoury at scale
- Floorplans and concepting
